Hello, Neighbor.

It's tough...I mean really tough...to get known in a new neighborhood. I don't care how good you are. Look at you and me for example. I've been knocking myself out passing flyers trying to get your attention, but still we have never met. Please consider trying my carpet cleaning service so you can see for yourself there really is a difference in carpet cleaners.

With me you get the pride only an owner can bring to a job and now you get the best price possible for in home truck mounted carpet cleaning. Please call to schedule but hurry my schedule should fill up fast with a price this low.

Your Comprehensive Carpet Cleaning Will Include All Of These Steps:

Pre-Conditioning: This part breaks the sticky and oily dirt's bond from the carpet.

Spot Removal: I apply specialized spot removers to all spots and do it for FREE!

Truck Mounted Steam Cleaning: The High Powered Equipment stays in the van. Allowing us to use hotter water to more thoroughly rinse the dirt loosened in step one, from your carpet. This is the part that actually does the cleaning.

WHY SO CHEAP?

First, this offer is only good within a certain distance from my home. I cut out the yellow page ads and want to expand my business so I lowered prices to attract new customers. I limited this offer to the North of the River area.
